

# United Methodist Volunteers In Mission North Carolina Conference

## Seed Money Application

Seed money is a grant intended to encourage new UMVIM initiatives by various groups. All team leaders from the North Carolina Conference of the United Methodist Church must receive approval by the Conference UMVIM Committee. Interviewing and training by the Conference UMVIM Committee is required. This enables the team leader to carry out his/her special responsibilities, to understand what is expected as a representative of the United Methodist Church and to obtain the support of the Conference UMVIM Committee.

*NOTE: Beginning in January 2003, in order to receive seed money from UMVIM NCC, the team leader will be required to attend the team leadership training course offered by UMVIM, NCC. Leaders must have taken an initial or refresher course within the four-year period prior to the trip.*
